General Plan Element or Sub-Element: 5 Socio-Economic 1. What are the key elements of the issue? What precipitated it? Information and feedback received through community input (Children & Families First Regional Partnership meetings, Sunnyvale Family Child Care Network meetings), indicates that there is a lack of child care provider and parent resources in the Sunnyvale community. The Child Care Advisory Board believes that by providing resources for child care providers and parents in Sunnyvale, it will help to increase the quality and availability of child care for the children in our community. Resources that this center could provide include, but are not limited to, low or no-cost developmentally appropriate teaching materials, continuing education opportunities for providers, photocopier, laminators and space for the center itself. The outcome of this study is to report on the feasibility of providing this center. 2. How does this relate to the General Plan or existing City Policy? 5.1H.1 Support efforts to increase the availability, quality and affordability of child care in North Santa Clara County. 3.
